EMPOWER YOUR FUTURE

You are a female student passionate about science, technology, engineering, or mathematics (STEM)? If so, the STEMpower Women event is tailor-made for you!

Hear firsthand stories from female leaders who broke barriers in STEM!

Discover various STEM career paths. Network & connect with HR managers from our partner company!

Ask questions, connect, and gain valuable insights behind the scenes!

At the event we're shattering stereotypes to show you the numerous opportunities that await in the exciting world of STEM.
